Extended Daycare (EDC)

Full Time Extended Daycare- (Formally called Monthly EDC)
Families requiring Extended care should enroll during Registration. Families should decide if they want to enroll in a Full-time plan or an Hourly plan. In general, if a student will be using more than 5 hours per week in EDC, they should enroll in a Full-time plan. The yearly cost of the program is divided up into 10 or 12 payments depending on which FACTS plan is chosen. Families may enroll or withdraw from Full time EDC at any time during the year and costs will be prorated according to either the start date or end date, whichever is appropriate, and the necessary adjustments will then be made in FACTS. **Please try to limit enrollment changes to two per school year**. Please call the Business office to make any changes to EDC status.

Hourly Extended Daycare—
Students may use hourly EDC as needed, but they are still required to enroll at Registration. They will only be charged as care is used. Hourly EDC is invoiced mid-month then added to FACTS for the next payment. ***All children not enrolled in Extended Care or Full-Day programs, who are here beyond their scheduled times will be charged for hourly EDC.*** Children not picked up by 6:00 PM will be will be charged $10.25 for each 15 minutes or part thereof.
