Tuition and FACTS Tuition Management:

FACTS is an online tuition payment system that is used for withdrawing tuition directly from your bank account on the 5th of each month. All families must enroll in the FACTS program for tuition payments and the Evangel Business Office can assist in that enrollment process. Tuition does not cover incidental expenses such as some field trips, individual expenses for fine arts competition and science fair project expenses. FACTS offers a 12 month (July—June) or 10 month withdrawal plan (August-May).

Families that enroll in the 12 month plan by June 20th may roll their MA fees into the payment plan without penalty.

Extended Daycare (EDC)**Full Time Extended Daycare- (Formally called Monthly EDC)**

Families requiring Extended care should enroll during Registration. Families should decide if they want to enroll in a Full time plan or an Hourly plan. In general, if a student will be using more than 5 hours per week in EDC, they should enroll in a Full time plan. The yearly cost of the program is divided up into 10 or 12 payments depending on which FACTS plan is chosen. Families may enroll or withdraw from Full time EDC at anytime during the year and costs will be prorated according to either the start date or end date, whichever is appropriate, and the necessary adjustments will then be made in FACTS. **Please try to limit enrollment changes to two per school year.** Please call the Business office to make any changes to EDC status.

Hourly Extended Daycare—

Students may use hourly EDC as needed, but they are still required to enroll at Registration. They will only be charged as care is used. Hourly EDC is invoiced mid-month then added to FACTS for the next payment.

All children not enrolled in Extended Care or Full-Day programs, who are here beyond their scheduled times will be charged for hourly EDC. Children not picked up by 6:00 PM will be charged \$10.25 for each 15 minutes or part thereof. That rate will increase to \$15.50 after 7
